Perhaps you are wondering, "where did the summer go?" Or you might ask, as I have, "where did those last years go?" You may give credit for the fast-moving time to the good fellowship spent with Hometowners' gatherings and tours.

We have Nancy to thank for getting us to different spots in the U.S., and of course, we thank Debbie and the executive committee for ideas of places to travel. Oh, and who is that nice driver for Miller Bus Co. you might ask? Why, that is Kendall Goodman from Constantine, KY. Way to go Kendall!

Many of you traveled to Memphis, TN and marveled what a nice time you had, especially with the step on guide to bring us to "must see places." I am sorry I was under the weather and had to miss my first Hometowners' trip in 23 years. I did, however, travel to Bardstown to see My Old Kentucky Home and the show "Joseph and the Amazing Technicolor Dreamcoat."

There were several of you who attended the two AARP classes to learn vital things about driving safety and insurance premium discounts, way to go!

The Cecilian Bank is proud to serve those involved in our Hometowners' Club and expects to continue serving you for many years in the future.

For our upcoming November 13 meeting, beginning at 10:00 AM EST at our Hillcrest location, we will feature a Christmas setting. Our committee wants to do an interesting program with you, asking for you to bring an interesting hobby that you have to the meeting. It may be items that you have made or collected like toys, dolls, handmade wooden items, etc.

I plan to bring some of my pocket knives from my vast collection. Please know that I may not make it to this meeting because I may not be able to get out after my October 21 knee replacement. If not, I will bring the collection in the following months.

They say that knee surgery slows you down for a while.
See you on future trips and at meetings.

Sincerely,

Bob
