Hometowners Newsletter

Chairman's Perspective

A new year and a full term of speeches about the Presidential Election. We must be interested in who is elected because it surely affects us each. However it seems that promises are not always kept or at least as presented earlier. With that said, let us look on to what we can do for the community and others around us.

My thoughts are we must come together as neighbors and friends to help make our lives more enjoyable. This could be by meeting as Hometowners regularly and making some trips together if our health will allow. The past 18 years have allowed Brenda and me to meet many new friends and travel to different places together.

This last year we enjoyed the trip to Pigeon Forge and the eating together without utensils. The food was really good though inconvenient, but we were all in it together and didn't worry about the method.

I kind of enjoyed the stop at Great Smoky Mountain Knife Works and may have purchased a few knives while I was there. The motel and complimentary breakfast were great. Thanks to Nancy for choosing the accommodations.

I hope to not miss a travel opportunity again this year. We don't know when we will have to stay home because of our health or others. My thoughts are to go as long as possible and then have the memories of good times past.

We have lost some fellow members due to death and we will surely miss seeing them for a while.

Travel with us when you can!

Baby news is always enjoyable. You might like to meet June Caroline Mutter, born May 2, 2015. This picture shows a happy and beautiful baby. June is the daughter of Sarah and Matt Mutter and granddaughter of Pete and Dixie Mahurin. Sarah and Pete are on The Cecilian Bank's Board of Directors.

See ya soon!
