Welcome to a modest summer day in Kentucky. We should be thankful for the ample rainfall for our corn, soybeans and hay crop.

The Hometowners' trip to New Orleans on April 24th was very interesting and enjoyable for those who went. Martha Jean was unable to go but she sent me to check out the area. Nancy and Brenda had three interesting days planned for us.

A step on guide each day helped to give us a view of happenings there during the flood era. She took us to good restaurants and to the building where Mardi Gras floats are made and stored, quite a sight. All on the motor coach survived and had a good return trip. The cemeteries with above ground monuments were interesting.

Our next trip is to the Newport Aquarium on July 13th and a side trip on a river boat for lunch. You know our planned trip for March 16th last year was cancelled due to 18 inches of snow? We weren't sure Nancy and Brenda could get out to go! This year we have a load to leave Towne Mall at 7:30AM and return about 8:00PM.

On August 25th our trip is planned for Pattie's and Badgett Theater. We always have a load. By the way, Don Wise and I went Wednesday to a bank meeting in Mayfield, KY and had about 1 hour to stop and eat for lunch. We were tempted to go the extra 10 miles to Pattie's. I was tempted to order the 8" Meringue Coconut Pie along with my sandwich. The lady said she remembered our bus load from last year. She seated us in the large dining room where we had eaten before we traveled on and remembered those that were not with us.

We had many new travelers on our last trip and hope they will be able to go again with us.

The next regular meeting will be held at Hillcrest Banking Center on Wednesday, July 12th from 10:00AM till 12:00PM. Our entertainment will be Ann and Allen Case with music and fun. Please come and stay for lunch. You may bring a side or dessert if you want to.

We enjoy our members being together.

Sincerely,

Upcoming Trips

Patti's and Badgett Variety Show August 25, 2017

We will be traveling again to one of our favorite 1-day trips to Grand Rivers, KY for some shopping, eating, and a wonderful show. Lunch, included, will be at Patti's, with its delicious food. If you go away hungry it's because you didn't eat all your food!

There will be some time to shop after eating and then we cross the street to Badgett Playhouse for the show "The Sound of Memphis". The birthplace of Rock and Roll – the home of Blues – the starting point of Soul will be sounds we all know. It's where a young man from Tupelo, Mississippi became the king of Rock and Roll. The music of Beale St. has influenced generations and the music is still alive today.
