Chairman's Perspective

What a nice trip to Montgomery, Indiana on April 17th. I have never seen a flea market so neatly displayed. Every aisle was uniform with easy to find bargains. So, you may wonder what caught my eyes. Well, I found a most unusual kitchen knife which was 18" in length with the block being 9" long and the handle 9" long.

You may wonder if the knife was priced for someone to purchase? Well, I was pleased to bring it home for Martha Jean for her use. As many of you know she has allowed me to add some knives to my collection. The price was \$1.00 and I believe it was one of a kind.

Adjacent to the market was our buffet restaurant and filled with a great variety of good foods, including baked pies and cobblers. Some went for seconds but can't remember who. Later in the afternoon we visited the Red Skeleton Museum and saw him in many attires. Next, we visited an armed services museum with displays from the Civil War to most recent. Outside were the planes and other equipment such as my favorite the M-47 Army Tank identified by its 7 road wheels. I served from 1954 to 1956 as an instructor with this type of tank at Ft. Knox, Kentucky.

Many allowed us time for a pit stop and to purchase some food to keep us for our trip back to Elizabethtown. A great trip which was enjoyed by all. We are sorry that we will not make the trip to Michigan on June 9th. There were not enough travelers to make the bus trip. A planned trip to Patti's and stage show is scheduled for July 27th leaving the Elizabethtown Towne Mall parking lot at 9:00 am. This trip is always full so call Debbie soon. On August 22nd a trip to Beef and Boards in Indianapolis, Indiana is planned. Seats on the bus are available.

Our July 11th meeting will be at the Hillcrest Banking Center at 10:00 am. Our guest speaker will be Mr. Johnny Lay to tell us about the founding of Hardin County and our area.

Added are pictures of former travelers with the Hometowners.
