Fees for Transfer Service. Currently there are no fees for the use of the P2P service; however, other service charges may apply. See *Account Limitations and Fees*.

We may decide to impose a fee for this service at any time for any reason. We will give you reasonable notice of such change as required by law. You may incur fees from other sources due to your agreements with other relationships when using this service; e.g. your mobile service provider, see *Relationship to Other Agreements*.

Mode of Payment. The Funding Account used for the Transfer Transaction will be the account from which fees for the Transfer Service will be paid (your "Payment Account"). You authorize us to collect the fees from your Payment Account.

Accessing your Funding Account. You authorize us to provide access to your Funding Account and Deposit Account through the Transfer Service to initiate and complete Transfer Transactions. To access the Transfer Service, you must have a username, a password, and the required hardware and software to use Online Banking or the Mobile Application. You must also comply with any other security procedures and policies we may establish from time to time as provided in online user agreement. You must provide all telephone and other equipment, software (other than any software provided by us), and services necessary to access the Transfer Service. Not all types of accounts are eligible for Transfer Transactions. We reserve the right to decline the use of any account as a Funding Account or Deposit Account that we believe may present a risk to you and/or us.

Sending Money; Debits by Participating Financial Institutions. You may send money to another Member at your initiation. You understand that use of this Transfer Service by you shall at all times be subject to (i) this Addendum, and (ii) your express authorization at the time of the transaction for us or another Participating Financial Institution to

initiate a debit entry to your Deposit Account. You understand that when you send the payment, you will have no ability to stop it.

In most cases, when you are sending money, the transfer will occur in minutes; however, there are circumstances when the payment may take longer. For example, in order to protect you, us, and the other Participating Financial Institutions, we may need additional time to verify your identity or the identity of the person receiving the money. You understand and acknowledge that a person to whom you are sending money and who is not registered as a Member may fail to complete the request for account information required to complete the transaction, or otherwise ignore the payment notification, and the transfer may not occur.

The money may also be delayed, or the transfer may be blocked to prevent fraud or comply with regulatory requirements. We have no control over the actions of other Members, other Participating Financial Institutions or other financial institutions that could delay or prevent your money from being delivered to the intended Member.

Transfer Transactions Subject to the Rules of the Funding Account. All Transfer Transactions are subject to the rules and regulations governing your Funding Account. You agree not to initiate any payments from an account that are not allowed under the rules or regulations applicable to that account, including, without limitation, rules or regulations designed to prevent the transfer of funds in violation of OFAC regulations. You agree that any Transfer Transaction to a Member's account which is not with a Participating Financial Institution will also be governed by the NACHA Operating Rules and any applicable card network rules (e.g. Visa or Mastercard).

Transfer Transaction Descriptions. We may permit you to add a description or comment concerning the Transfer Transaction that will be transmitted to the recipient. You agree that if we permit you to add a description or comment concerning the payment to your recipient that you will not include inappropriate or abusive language, messages or content in the description or comment. You agree that we may monitor the contents of the description or comment and may delete or edit the message if we believe any of the content is inappropriate or abusive, in our sole and absolute discretion.

Failure or Rejection of Transfer Transactions. We do not make any representation or warranty that any particular Transfer Transaction can be completed, or that it can be completed within a particular period of time. Any estimate we may provide concerning the completion date for the Transfer Transaction is only an estimate and is not binding on us. You understand and agree that we have no control over the actions of other Members, or of other financial institutions (including Member's Financial Institutions), that may prevent a Transfer Transaction from being completed, or may delay its completion. You understand and agree that we may not be able to complete a Transfer Transaction if:

- the receiving Member does not enroll in or register with the Transfer Service;
- the receiving Member does not complete the necessary steps in provided needed information to complete the transfer; or,
- the receiving Member does not register with the Transfer Service the specific email address or telephone number you have provided to us for them.

Upon learning that a Transfer Transaction to transfer funds from your Funding Account to a Member cannot be completed for any reason, we may make a reasonable effort to complete the payment again. If the fund transfer is not completed, we may try to notify you to contact your intended recipient but are not required to do so.

If you do not have enough money in your Funding Account to make a fund transfer, we may reject your request to initiate the fund transfer.

We reserve the right to decline or cancel any payment instructions or orders or to carry out change or cancellation requests. We may, in our sole discretion, decline to initiate or complete a Transfer Transaction for any reason. We may, in our sole discretion, accept instructions from any Member or from a Member's Financial Institution to block your attempts to use the Transfer Service to initiate Transfer Transactions with that Member or customers of that institution.

Authorization for Fund Transfer and Suspense of Funds. You agree that each payment instruction you give us is an authorization to make a funds transfer on your behalf. You authorize us to withdraw the funds from your Funding Account immediately upon receiving your instruction for the Transfer Transaction and to place the funds in a suspense account pending completion of the Transfer Transaction. You understand and agree that in the case of a Transfer Transaction to a person who has not yet enrolled in the Transfer Service, or if your Funding Account has been open for less than thirty days, we may hold your funds in the suspense account for up to fifteen business days before either returning the funds to you or sending them to the recipient.

You also agree that the Member's Financial Institution receiving the funds for a Transfer Transaction may hold those funds for a reasonable period of time while attempting to identify a Deposit Account for a Member who has either:

- not yet enrolled in the Transfer Service;
- not yet identified a Deposit Account, or
- closed the recipient's prior Deposit Account but still has other accounts open with the Member's Financial Institution.

You understand that the Member's Financial Institution receiving the funds may require a Member to manually accept each funds transfer you send to the Member. If the Member does not accept the funds transfer within the time frame set by the Member's Financial Institution, the funds will be returned to you. You understand and agree that we have no control over whether the Member's Financial Institution will require manual acceptance, or how long the Member's Financial Institution will hold the funds before returning them.

You authorize us to act as your agent in receiving and processing any return of funds as we deem appropriate.

No right to Cancel or Stop a Transfer Transaction. Transfer Transactions that are in process cannot be cancelled or stopped. You agree that you, and not we, will be responsible for resolving any payment dispute with any Member to whom you send money through a Transfer Transaction.

UNAUTHORIZED TRANSFERS**Consumer Liability**

Tell us at once if you believe your User ID and Password have been lost or stolen, or if you believe that an electronic fund transfer has been made without your permission using your credentials. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum allowable overdraft line of credit). If you tell us within 2 business days after you learn of the loss or theft of your User ID and Password, you can lose no more than \$50.00 if someone used your credentials without your permission. If you do NOT tell us within 2 business days after you learn of the loss or theft of your User ID and Password, and we can prove we could have stopped someone from taking your money without your permission if you had told us, you could lose as much as \$500.00.

Also, if your statement shows transfers that you did not make, including those made by card, PIN or other means, tell us at once. If you do not tell us within 60 days after the statement was delivered to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a valid reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time period.

ERROR RESOLUTION NOTICE

In case of errors or questions about your electronic transfers, call or write us at the telephone number or address listed in this disclosure, as soon as you can, if you think your statement or receipt is wrong, or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared. The following information will be needed:

1. Tell us your name and account number (if any);
2. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information;
3. Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days. We will determine whether an error occurred within ten (10) business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to forty-five (45) days to investigate your complaint or question. If we decide to do this, we will credit your account within ten (10) business days for the amount you think is in error, so that you will have use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not credit your account. For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to 90 days to investigate your complaint or question. For new accounts, we may take up to 20 business days to credit your account for the amount you think is in error. We will tell you the results within three (3) business days after completing our investigation. If we decide that there was no error, we will send you a written explanation and reverse any provisional credit that was given. You may ask for copies of the documents that we used in our investigation.
