Dear friends,

Let me say first that your prayers and friendship during my time of disability has meant the world to me. You haven't forgotten me, even in my absence.

To bring you up to date, my knee surgery was October 20th, and my recuperation continues. Thanks to therapy, the future should be brighter and ending the pain is expected.

By the way, I have heard of the great enjoyment that many of you have had on journeys to various places on the Miller Bus Line, with Debbie and her great driver, Kendall. Each trip has been completed with near full loads. Even without me, you enjoyed your travels with Debbie and the committee members who arranged the trips. I promise to get on the trips as soon as possible. Your travels this past year are the only ones I have missed in the 23 years since we made our first trip, and there are far too many for me to forget! Looking forward to seeing you on January 8, 2020, at 10:00 EST at our Hillcrest Banking Center for our next meeting. Who plans to go on some of our trips in 2020? The opportunity to meet and travel together is priceless. I plan to bring a few of my knives to show.

Sincerely

Bob
