Greetings! What an interesting talk Wednesday, March 11th at Cecilia Hometowners meeting. "Amelia Bedelia" was at her best as she was many years ago at a previous meeting.

Julia Belle Richardson, a few days older, presented an interesting time of attending "Mr. Rogers". Her list printed in old pencil letters told her many things to do around his house. Like "throw out the garbage" but where to throw it wasn't clear and maybe dress a chicken for supper??

Her gift to me was a package of chocolate chip cookies she had made with potato chips and a paint brush with chocolate.

Our members (about 40 plus) enjoyed breakfast prepared by Debbie and Kendall Goodman.

I am fortunate to find a rough copy of the minutes from March 2010. James Martin Bruner, who keeps up with planetary happenings, had called me to get a kitchen broom to stand up in the middle of our room. I told him I had not used a broom in years but I stood it in the floor! When Martha Jean came home from WMU she had thought I had swept the floor and had forgotten to put the broom away. It was my job to tell her James Martin could not only play Rook well, but he knew the planets were lined up that night and caused the happening! What a great memory from 2010!

I hope that many of you will be able to travel on the Miller Bus with Nancy and Debbie and maybe I will be able to go again soon.

Bless our troops overseas and all of our friends here.

Sincerely,

Bob  
B.G. Owsley
